Solar 101

The State of Solar Energy

The Office of Congresswoman Gabrielle Giffords

Presents the 53rd Solar 101

A Continuing Community Education Series on Solar Energy

Solar Leases: What you Need to Know before you Lease

Currently, over 90% of all new rooftop solar projects in the Tucson area utilize solar leases for financing. New regulatory changes have the potential to encourage even more people to choose the leasing option. Find out what you need to know about the benefits and potential risks of solar leasing.

Speakers include:

- **Tom Alston**, Solar Outreach and Policy Coordinator for The Office of Congresswoman Giffords
An overview of solar basics
- **Marc Romitio**, Renewable Energy Supervisor for Tucson Electric Power Co.
The do's and don'ts of taking advantage of a solar lease
- **Ryan Hurley**, Vice President, Arizona Solar Energy Industries Association, Solar Attorney and Partner with Rose Law Group
An overview of lease options for commercial and residential solar
